8. The definitions and rules of construction set forth in Local Civil Rules 26.3(c) and (d) of the United States District Court for the Southern District of New York are incorporated by reference into these Requests as follows:

a. The term "COMMUNICATION" means the transmittal of information (in the form of facts, ideas, inquiries or otherwise).

b. The term "DOCUMENT" is defined to be synonymous in meaning and equal in scope to the usage of the term "documents or electronically stored information" in Fed. R. Civ P. 34(a)(1)(A). A draft or non-identical copy is a separate DOCUMENT within the meaning of this term.

c. The terms "PLAINTIFF" and "DEFENDANT" as well as a party's full or abbreviated name or a pronoun referring to a party mean the party and, where applicable, its officers, directors, employees, partners, corporate parent, subsidiaries or affiliates. This definition

is not intended to impose a discovery obligation on any person who is not a party to the litigation.

d. The term “PERSON” is defined as any natural person or any legal entity, including, without limitation, any business or governmental entity or association.

e. The term “CONCERNING” means relating to, referring to, describing, evidencing or constituting.

9. “AGREEMENT” and “AGREEMENTS” as used herein refer to any contract, whether written or oral, express or implied.

10. “YOU” and “YOUR” mean, collectively and severally, MARVEL and any and all predecessor or successor entities, any and all divisions thereof, and any and all present and former officers, directors, representatives, shareholders, agents, employees, attorneys, accountants, investigators, or any other PERSON, or affiliate acting or purporting to act on any of MARVEL’s behalf.

11. “INCLUDING” means “including, but not limited to.”

12. The singular form includes the plural form, and vice versa.

13. YOU are instructed to produce all DOCUMENTS that are responsive to these Requests and that are in YOUR possession, custody, or control. A DOCUMENT is in YOUR “possession, custody, or control” if it is in YOUR physical possession, or if, as a practical and legal matter, YOU have the ability, upon request, to obtain possession of the DOCUMENT or a copy thereof from another PERSON that has physical possession of the DOCUMENT.

14. Each Request shall be construed independently and no Request shall be viewed as limiting the scope of any other Request.

15. No part of a Request shall be left unanswered merely because an objection is made to another part of the Request.

16. If an objection(s) is/are made to any of these Requests in the response thereto, the response shall clearly state whether DOCUMENTS are being withheld from inspection and production on the basis of such objection(s), or whether inspection and production of the responsive DOCUMENTS will occur notwithstanding such objection(s).

17. If any DOCUMENT or category of DOCUMENTS is not produced in full, please state that a diligent search and reasonable inquiry has been made in an effort to locate the items, state with particularity the reason or reasons it is not being produced in full, and describe, to the best of YOUR knowledge, information and belief, and with as much particularity as possible, the DOCUMENT or portions of the DOCUMENT that are not being produced.

18. Please produce all DOCUMENTS in searchable PDF or other searchable electronic format.

19. With respect to any DOCUMENT maintained or stored electronically, please harvest it in a manner that maintains the integrity and readability of all data, including all metadata.

20. The collection and production of DOCUMENTS shall be performed in a manner that ensures that the source of each DOCUMENT may be determined, if necessary.

21. DOCUMENTS attached to each other shall not be separated and the “parent-child” relationship of DOCUMENTS must be kept intact.

22. Each DOCUMENT is to be produced as it is kept in the usual course of business, including all file folders, binders, notebooks, and other devices by which such DOCUMENTS may be organized or separated.

23. Please organize electronic DOCUMENTS or other materials produced for inspection in the same manner that YOU store them (e.g., if a DOCUMENT is maintained by a custodian, such as an e-mail residing on an e-mail server, please organize it for production by

custodian; if maintained in a subfolder of “My Documents” on a custodian’s hard drive, please organize it for production by custodian with path information preserved, etc.).

24. These Requests require production of paper DOCUMENTS in the same form and same order as they are kept in the usual course of business, or organized and labeled to correspond with the Requests set forth below. If you choose the former method, the DOCUMENTS are to be produced in the boxes, file folders, bindings or other containers in which the DOCUMENTS are found. The titles, labels or other descriptions on the boxes, file folders, bindings or other containers are to be left intact. All responsive DOCUMENTS maintained in paper, hard-copy form shall be produced electronically in TIFF format.

25. If YOU withhold any DOCUMENT, or portion of a DOCUMENT, on grounds that it is protected from discovery by the attorney-client privilege, work- product doctrine, or other privilege or immunity from discovery, please set forth, for each DOCUMENT or portion of a DOCUMENT withheld:

- a. The place, approximate date, and manner of recording, creating or otherwise preparing the DOCUMENT;
- b. The names and organization position, if any, of each author, sender, and recipient of the DOCUMENT;
- c. A general description of the subject matter of the DOCUMENT;
- d. The basis of any claim of privilege;
- e. The general nature of the DOCUMENTS (letter, memo, email, etc.); and
- f. If work-product is asserted, the proceeding for which the DOCUMENT was created.

26. For any DOCUMENT or category of DOCUMENTS that was, but no longer is, in

YOUR possession, custody or control, please describe each such document as completely as possible and provide the following information:

- a. The reason the DOCUMENT is no longer in YOUR possession, custody or control;
- b. The PERSON, if any, who has possession, custody or control or, if unknown, so state; and
- c. If the DOCUMENT was destroyed or otherwise disposed of, state (i) the manner of disposal (i.e., destruction, loss, discarding or other means of disposal); (ii) the date of disposal; (iii) the reason for disposal; (iv) the PERSON authorizing disposal; (v) the PERSON disposing of the DOCUMENT; and (vi) the name and address of the most recent custodian of the DOCUMENT.
- d. These Requests impose a continuing obligation subsequent to YOUR initial production within thirty days of the service date of these Requests, or other date mutually agreed upon by the parties, to timely supplement YOUR response or production if YOU determine or learn that YOUR response or production is incomplete or incorrect. Defendant specifically reserves the right to seek supplementary responses and production of DOCUMENTS before trial.
